

Renewable Energy Services

Delivering the Latest in Efficient, Reliable, and Eco-Friendly Energy Solutions

Ardent offers a wide range of renewable energy and energy retrofit solutions from experienced professionals. We understand the complex nature of constructing and supporting renewable energy projects and have proven experience providing power, control, and automation solutions that deliver reliable performance and outstanding long-term value—even in the most extreme environments.

Why choose Ardent?

- › Experience installing thousands of acres of solar panels
- › Leverage cutting-edge technologies, including the latest photovoltaic, micro-grid, and energy storage innovations
- › Long-standing working relationships to aid greening industry
- › Design-assist capabilities
- › In-house engineering, scheduling, work planning
- › Multiple industry safety recognitions
- › Proven record of success

Your Single-Source for Renewable and Energy Services

- › Solar panel installation and services
- › Energy storage, including but not limited to battery storage systems
- › Micro-grid services
- › Energy retrofits
- › Utility connections and grid tie-ins
- › Geo-thermal installation and maintenance
- › Waste to gas digesters

WHAT WE DO

- › **Industrial**
 - Electrical Distribution
 - Cable, Cable Trays, and Conduit
 - Lighting Controls and Automation Systems
- › **Renewable Projects**
 - Wood Pellet Plants
 - Bio-Diesel, Bio-Fuels
 - Solar Energy
 - Waste-To-Energy
 - CO₂ Sequestration
 - Hydrogen Production
 - Wind Energy
 - Geo-Thermal Energy
 - Energy Storage Systems
- › **Utilities**
 - Switching Stations and Substations
 - Power Transmission and Distribution
 - Cogeneration and Power Plant Construction
 - Renewable Power Generation
- › **Facilities Maintenance**

WHERE WE DO IT

- › Remote Locations
- › Industrial Facilities
- › Manufacturing Facilities
- › Technology Sites and Parks

Equal Opportunity Employer

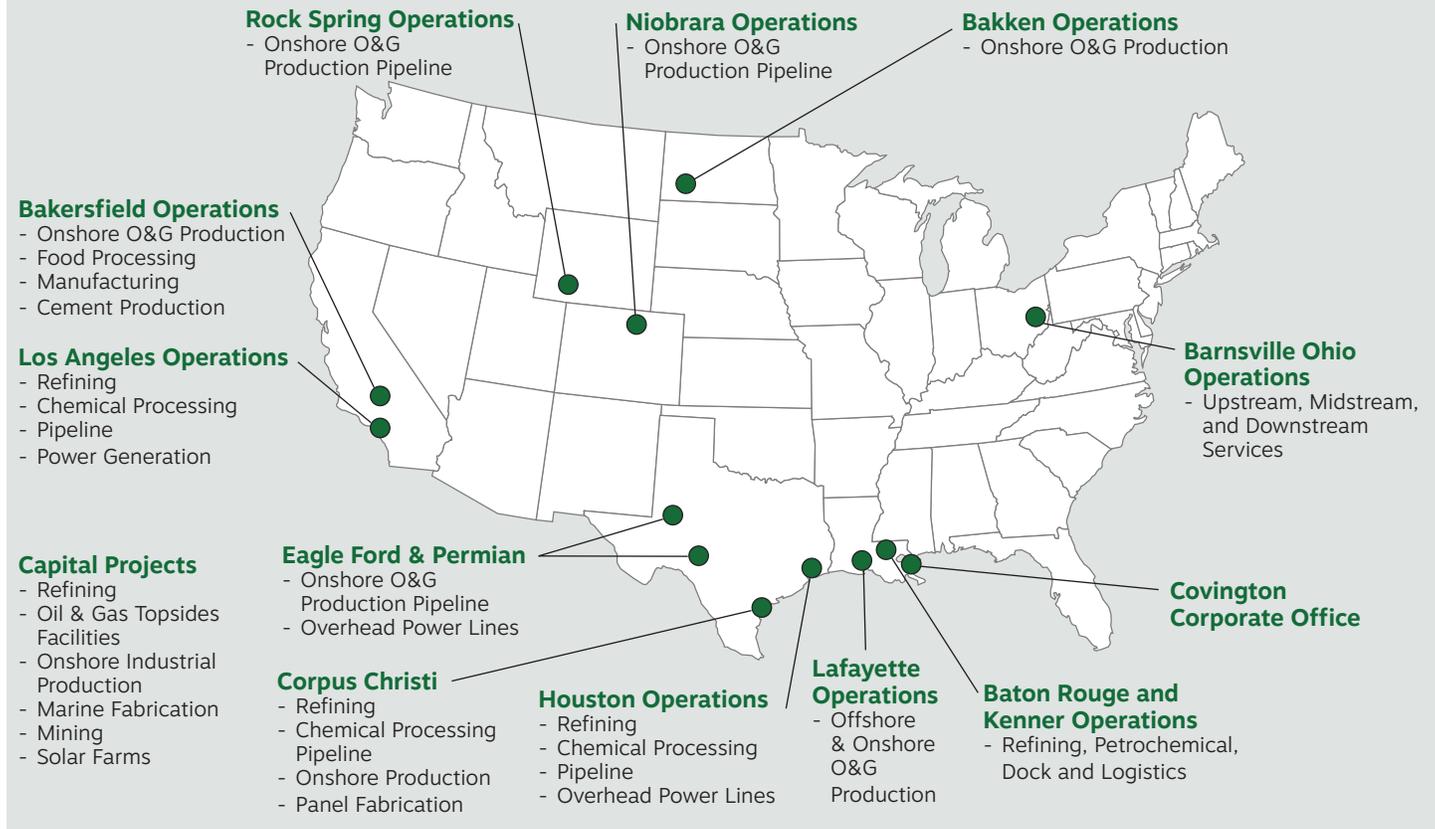

Ardent is committed to creating a diverse environment and is proud to be an equal opportunity employer. Individuals seeking employment are considered without regards to race, religion, creed, color, national origin, age, gender, marital status, ancestry, disability, veteran status, sexual orientation, or any other characteristics protected by law. Employment is based on individual merit and qualifications directly related to professional competence.
